

Most Importantly

(Words and Music by Megan Prehm)

Understanding, never falling short
Unafraid of losing it all
Holding on, with a little bit of hope
I won't fall again

Keeping faith, following the word
Daily prayer to who I adore
Looking forward to where I will go
High above the clouds

(Chorus) And I will shout to the Lord, shout His name
Shout to my fellow Christians the same
I will shout to the sky, and hold my own ground
And most importantly I know that He will be always by my side
And most importantly I know God loves me

Enter strong, in the temple of the Lord
Holding on and never letting go
Keeping close, with that little bit of hope
I will not give in

Making peace, confessing all my sins
Asking God, to grant me forgiveness
Holding true, and helping who I can
All around the world *(Chorus)*

(Interlude)

But what happens, when I'm tempted
And close to giving in
Oh, I know- I will be saved in the end *(Chorus)*

Most importantly I know... God loves me
